

PUBLIC NOTICE OF HAZARDOUS WASTE PERMIT RENEWAL

The Illinois Environmental Protection Agency (EPA) and the U.S. EPA hereby give notice of intent to renew a Resource Conservation and Recovery Act (RCRA) Part B permit held by Envirite located at 16435 Center Avenue in Harvey. Envirite is currently active under its current RCRA permit. This permit renewal would allow Envirite to continue to treat, transfer, and store hazardous waste.

The interested public is invited to review copies of the permit application, draft permit and related fact sheet, at:

South Suburban College Library
15800 State Street
South Holland, Illinois 60473

Send written comments and/or hearing requests on the Illinois EPA and U.S. EPA portions of the draft permit to the respective Agency contact listed at the end of this Notice postmarked by midnight March 25, 2017. Timely comments will become part of the respective Administrative Record (AR) and be evaluated in making the final permit decision. A public hearing request must be made in writing, state opposition to the draft permit and the nature of issue(s) to be raised at the hearing. Commenters will be notified of the permit decision and the respective appeal process.

The state's AR (permit application, draft permit and all data submitted to the IEPA) is available for inspection by appointment only at IEPA's Springfield office, contact:
